

MUSK ROSE OIL

With Aloe Vera

The Musk Rose oil is rich in fatty acids and it has 25% of Aloe Vera oil, Vitamin C, retinoic acid, caretonoids (vegetal form of the Vitamin A), flavonoids and other substances that together regulate the mechanisms of cell growth and tissue regeneration such as scars, wounds, erythemas, wrinkles and stretch marks.

ACTIVE INGREDIENTS AND BENEFITS

Rich in essential fatty acids such as Omega 3, Omega 6, retinoic acid, flavonoids, antioxidant such as Vitamins from the A, C and E types. These active ingredients together regulate the mechanisms of cell growth and the regeneration of the tissues.

The Exialoe Musk Rose Oil is a natural product and without preservatives.

Among others we can obtain the following results if we apply it daily:

- It restores and regenerates the dermis from alterations such as: solar spots, acne marks, scars, etc. keeping the face tone unified.
- It delays the unwanted ageing signs thanks to the amount of antioxidants and vitamins that it has.
- It has a high nutritional value due to its high content in polyunsaturated fatty acids. (Omega 3 and 6).
- It activates blood flow at a dermal level which allows restoring the optimal texture of the dermis.
- It helps to reduce stretch marks.

In summary, it keeps the dermis hydrated, regenerated therefore free from scars or spots. Enjoy a beautiful skin!

MODE OF USE:

Apply some drops in your hands to warm up the product and apply with circular movements on the wished area.

Something important to keep in mind is that oils are photosensitive and if the sunlight strikes on the treated area it would harm the dermis. It is for this reason that we recommend applying it at night time, it is also then when the body regenerates and we obtain better results.

Apply it with the skin still wet after the shower. You will be able to spread it much better, you will use less product and when it dries it won't stain your clothes.

You can also apply it by adding some drops of it into your usual night cream.

Bottle of 50 ml (ref. 1150)

FORMULA (Ingredients)

Rosa Canina Fruit Oil, Aloe Barbadensis Leaf Extract, Canola Oil, Tocopherol.

DID YOU KNOW THAT...?

Musk Rose helps to balance the loss of collagen caused by the age. It decreases the surgical and natural scars as the essential fatty acids that it contains help to regenerate.

These acids improve the flexibility, the permeability and the repair of the skin.
