

ROSE WATER AND ALOE

With Aloe Vera

The Exialoe Rose Water and Aloe is a natural **toning** that eliminates skin impurities without causing dryness. It helps to **close pores** in a natural way. Due to its wetting properties, it keeps the dermis fresh and hydrated with the unique smell of the rose petals.

USES AND PROPERTIES

Thanks to its components it can be used on irritated, sensitive or dry skins as it can be after shaving or waxing. Besides, it is a natural **antibacterial**.

Rosehips have a **high concentration of Vitamin C** that helps to eliminate dark circles and eye bags.

The Rose Water applied directly on the skin has been proved that it positively affects on the **collagen** levels, improving the elasticity and the **recovery of the skin**.

It is rich in **Vitamins B and E**, so it is one of the best natural tonics for the skin, leaving it soft and very hydrated.

It evens the production of collagen, stretching the skin reducing stretch marks, wrinkles and concealing scars.

MODE OF USE AND UTILITES

- At night, after removing make up to effectively purify the skin.
- Right after the foundation, to fix make-up for hours.
- At any moment of the day to close pores and provide new energy.
- As a tonic in the morning and at night-time.
- Ideal to wet any face sponge and especially the Beauty Blender sponges.
- To hydrate the skin, it can be used in relaxing baths.
- Vaporize on the neckline or the nape to instantly calm and refresh.
- In midsummer, keep in the fridge, so it becomes a refreshing pocket mist.
- In the plane to rehydrate the dermis lacking water and keep fresh the skin.
- At the office to eliminate the stress.
- After a working out session to smooth the facial features.
