

HYDRO-NOURISHING CREAM

With Aloe Vera and Coenzyme Q10

Excellent **anti-age, antioxidant, and nourishing regenerator**.

Apply at any moment of the day, being more effective at night-time. Its touch is very pleasant, leaving therefore a rejuvenated and non-greasy skin. Besides, it has **25% of Aloe Vera**, Coenzyme Q10 and natural vitamin E.

USES AND QUALITIES

Natural vitamin E: Due to its qualities against free radicals, it is very effective to fight against the aging of the skin.

Coenzyme Q10: It has a powerful **antioxidant** action that slows down the appearance of wrinkles and provides **elasticity** to the skin.

Jojoba oil: It has emollient, hydrant, antioxidant, and calming qualities. The jojoba oil is well absorbed by the skin, it also has **antioxidant qualities**, and it is known as a highly valued product to prevent wrinkles and neutralise free radicals.

Macadamia oil: It helps to regenerate cells, so it prevents the appearance of wrinkles and other signs of the aging of the skin. Besides, it is antioxidant, emollient, and a source of fatty acids, so it is very **hydrant**.

Musk rose: It is rich in essential fatty acids that help to avoid the premature aging of the skin.

Avocado oil: It is rich in Vitamins A, B, C, D, E, H, K and PP, fatty acids, proteins, and minerals. It works against aging due to its great content in vitamin E, it has **restructuring and regenerating** power of the epidermis.

Allantoin: It favours the natural regeneration of the skin.

Sunflower seed oil: It has great antioxidant and **anti-inflammatory** capacity.

It is to be noted in its composition, the **Lactic acid**, an aqueous solution of wetting agents that substitute the natural hydration factor of the skin than can be easily lost with soaps, providing therefore hydration and elasticity.

MODE OF USE:

Especially recommended cream to apply at night-time.

After doing your cleansing routine apply in an ascending way, do a soft massage insisting on the areas where you feel there are furrows or wrinkles. If you want to provide an extra of vitamins, you can add some drops of our musk rose or argan oil.

Finish by applying your favourite Exialoe eye contour.

You can use this cream during the day, but we recommend applying the hydro-nourishing Q10 SPF30 to treat and protect the skin from the damages caused by the solar radiations UVA/UVB.
