

# ALL PURPOSE NEUTRAL CREAM

With Aloe Vera

The application of the **NEUTRAL BODY CREAM** is indicated in both children and adults, to help with the most frequent dermatologic problems: rashes and superficial skin lesions, stretches marks during pregnancy, chilblains on hands and feet, ulcers and external varicose veins, skin lesions, eczemas, psoriasis and oedemas in legs and feet, accidental burns or sun exposure, skin irritations after shaving or waxing, etc.

It is an off-road cream for multiple uses!

## QUALITIES

**Aloe Vera Juice (25%):** It has emollient, moisturising, wetting and skin regenerative properties. It is also bactericide and fungicide, it has great power to clean dead cells and helps with the regeneration of new ones. All these make of the Aloe a **powerful regenerator** of the skin.

**Natural Vitamin E:** Due to its properties against free radicals it is highly effective against skin ageing.

**Beeswax:** Due to its highly hydrophobic nature, it repels water, forming a film on the skin and waterproofing it, giving consistency to it and protection against the action of external agents that may damage it. Rich in Vitamins, especially the A one. It has **anti-inflammatory and healing** properties.

**Avocado Oil:** The Avocado oil is rich in Vitamins A, B, C, D, E, H, K and PP, fatty acids, proteins, and minerals. It acts **against ageing** thanks to its high content in Vitamin E, it has **restructuring and regenerative** power of the epidermis.

**Almond Oil:** The sweet almond oil is rich in vitamins especially the ones of the B group (thiamine, riboflavin, and niacin), essential minerals (zinc, iron, calcium, magnesium, phosphorus, and potassium), proteins and fatty acids beneficial for the skin. It **reduces inflammation and calms** the cutaneous irritations, it **hydrates and softens**.

**Poire nectar perfume:** As it is a perfume **without allergens**, it is a product different from those found in the market, as it is a hypoallergenic cream, recommendable for all types of skins and ages.

## MODE OF USE:

Apply several times a day on the specific area to treat or all over the body, soft massaging with upward circular movements to stimulate the circulatory system.

It is a **hypoallergenic** soft cream from which we have many testimonies that show the benefits of applying it on the babies' skin and for the diaper rashes.
