

CALENDULA BATH GEL

With Aloe Vera

With the Exialoe Calendula bath gel you will get a **clean, calmed, and hydrated** skin as it will provide you all the benefits of this great plant: the calendula. The formulation of this gel is studied to be adapted to all types of skins especially the most sensitive and atopic ones.

USES AND PROPERTIES

It has **Aloe Vera** and non-aggressive surfactants derived from olive oil which helps to clean our skin while it **hydrates** it, providing all the benefits of the first quality Aloe Vera.

By incorporating the **calendula extract** it provides our dermis its great qualities: anti-inflammatory, antiseptic, emollient, stimulant, and tonic. The result is a perfect, **free from impurities** and silky skin. Besides, the calendula is an excellent **natural disinfectant**, it helps to **reduce the inflammation of the dermis** and the redness caused by dermic irritations.

Ideal for people prone to skin itchiness, eczemas, psoriasis, long sun exposition, cracked skin and any dermic disorder in general.

MODE OF USE:

Apply on the wet skin gently massaging it, by doing this the nourishing ingredients of the Calendula gel will deeply penetrate. After, rinse abundantly with water.

💡 You can also use it daily as a hand or face soap.

To get a plus of softness we recommend you using twice a week the Exialoe exfoliating gel so you will achieve a velvety skin after the bath.

Now enjoy a soft, nourished, and protected skin!

200 ml bottle (ref.1210)
500 ml bottle (ref.1215)
1.000 ml bottle (ref.1218)
