

SUPERLATIVE CONTOUR GEL

Wrinkle filler treatment

The **Superlative Contour Gel** is designed to hydrate, nourish, regenerate, fill wrinkles and fight against signs of age.

During the day, it protects and hydrates reducing eye bags, mitigating the signs of age, and softening lines of expression. At night time, it nourishes and fills wrinkles and crow's feet from inside with visible results in a few days.

QUALITIES

Amino-glyco kviar: Obtained from the Sturgeon fish. Thanks to its important content in minerals and trace-elements, the skin receives key ingredients in their nourishment and regeneration processes.

Hyaluronic Acid: It is extracted through biotechnology and works as a sponge, able to retain big quantities of water in the skin. It provides firmness, giving a terser aspect to it, apart from reducing, filling wrinkles, and concealing lines of expression.

Coenzyme Q10: It has a powerful antioxidant action that slows down the appearance of wrinkles and provides elasticity to the skin.

Marine Collagen: It provides volume, elasticity, firmness, it combats flabbiness, hydrates, and nourishes deeply.

Aloe Vera Juice (40%): It stimulates cell growth, favouring the hydration and softness of the skin and its rejuvenation, apart from an antiseptic action that collaborates with the elimination of dead cells and waste that damage the face, avoiding the formation of blackheads and pimples.

Eyebright: It has antimicrobial, antiseptic, anti-inflammatory and healing properties.

Sunflower oil with Vitamin E: It works as an antioxidant to protect the skin from the damages caused by free radicals. It also works as emollient that can hydrate dry skin through the formation of an occlusive layer that retains the humidity of the skin.

MODE OF USE:

You can apply it both day and night, being **essential to apply it at night-time as it is then when the body regenerates.**

Apply with softs tabs after cleaning the skin thoroughly and do an ascending massage insisting on those areas where you feel there are more furrows. We recommend you apply it with the ring finger as it is the one that exercises less pressure therefore, we avoid damaging this so sensitive area.

Get brighter looking eyes and look at yourself with different eyes!
