

EXFOLIATING GEL

With Aloe Vera

Exialoe Exfoliating Gel gently removes dead cells and impurities from the skin thanks to its lactic acid microspheres. You will get a soft, clean, smooth and radiant skin.

With **25% Aloe Vera** and provitamin B5.

PROPERTIES

- The **Vitamin E** is a powerful **antioxidant** that prevents the formation of irritating elements for the skin due to its effectiveness against free radicals, **delaying skin aging**.
- The particles present **help remove dead cells** that remain attached to the surface layer of the skin.
- The **skin breathes better, its cells are oxygenated** and a greater absorption of the nutrients that we apply later like moisturizers is achieved.
- Removal of dead cells **prevents pore congestion in the medium term** and the formation of pimples and other impurities on the face.
- Get that **skin is more radiant and smooth** Immediately.
- **Avoid premature aging** of the skin, renewing it to make it look younger.
- **Reactivates microcirculation** blood, which prevents swelling.
- **Provitamin B5**, is a mild vitamin and deeply penetrates the skin, providing essential moisture that helps **hydrate, calm and stimulate** self-healing.
- The **Aloe vera** helps to regenerate, protect, **tone, hydrate and heal the skin**.

HOW TO USE:

Apply on the damp skin of the areas to be cleaned (face, neck or body) giving a **gentle circular massage with fingertips** for 1 minute, like this **you will stimulate circulation**. Rinse with plenty of lukewarm water. You can use it once or twice a week, depending on the needs of each skin.

For a greater **illuminating effect** on the face, after the Exfoliating Gel we recommend applying the **Exialoe Anti-Aging Mask**, to repair and hydrate the skin. And then the **Exialoe Moisturizing Cream** that best suits the needs of your skin.

If you apply it on the body, then you can apply one of our **moisturizing oils or Exialoe Anti-Cellulite Gel**, vigorously massaging the areas to be treated.

You will get beautiful skin!
