

# CLEANSING MILK

With Aloe Vera

Exialoe's cleansing milk effectively removes all the impurities that build up on the skin throughout the day, including dirt, dust, oil, and more.

It protects against pollution, stress, free radicals, and oxidative damage, helping the skin breathe freely without the impurities that clog it.

Its blend of Chamomile and Calendula extracts, premium-quality natural Aloe juice, and nourishing oils from Jojoba, Pumpkin, Avocado, Almond, and Sunflower delivers hydrating, healing, regenerating, and anti-inflammatory benefits.

**Give your skin the care it truly deserves!**

## PROPERTIES

**Aloe Vera:** Offers emollient, hydrating, moisturizing, regenerative, and anti-inflammatory properties.

**Almond Oil:** Stimulates collagen and elastin production, enhancing skin firmness and elasticity. Helps reduce and prevent wrinkles, slows down aging, and provides UV protection.

**Avocado Oil:** Rich in Omega-3 fatty acids and vitamins A, D, E, and K, making it a powerful ally for skin care. Its antioxidant properties, primarily from vitamins K and E, support skin regeneration and rejuvenation.

**Chamomile:** Has a calming effect, ideal for keeping the skin soothed and decongested. Also hydrates and helps maintain optimal moisture levels.

**Calendula:** Renowned for its potent regenerative and healing properties. Combined with Aloe Vera and Chamomile, it enhances anti-inflammatory and soothing effects, amplifying the benefits of other ingredients and delivering superior relief.

**Jojoba Oil:** Provides antioxidant and hydrating benefits and helps neutralize free radicals. Contains linoleic acid, which helps restructure and regenerate skin tissue.

**Pumpkin Seed Oil:** Its high zinc content delivers a unique purifying and regulating action that balances sebum production. Zinc and vitamin A boost its antioxidant power and protection against free radicals.

**Natural Vitamin E:** Improves skin tone, adds moisture, and maintains firmness. Aids in tissue regeneration and healing while also acting as a natural sunscreen.

**Sunflower Oil:** With its vitamin E content, it acts as an antioxidant to shield the skin from free radical damage. Also functions as an emollient, creating a protective layer that locks in skin moisture.

## HOW TO USE:

1. Apply the desired amount on a cotton pad, microfiber or on damp hands and spread over your entire face with a gentle massage for a few seconds to remove all impurities from the dermis.
2. Rinse your face with water or use a clean, wet disc to completely remove any debris left on the dermis.
3. We recommend finishing the cleanse with one of our toners or rose water. Choose the most suitable one for your complexion type.

Remember to exfoliate weekly to avoid the accumulation of dead cells and for our skin to perspire and be deeply hydrated when we apply treatments.

110 ml container (ref.1952)

## FORMULA

### (Ingredients)

Aqua, Aloe Barbadensis Leaf Extract (Juice) \*, Prunus Amygdalus Dulcis Oil, Glycerin, Polyglyceryl- 3 Methylglucose Distearate, Propylene Glycol, Persea Gratissima Oil, Isopropyl Myristate, Stearyl Alcohol, Glyceryl Stearate, Chamomilla Recutita Flower Extract, Calendula Officinalis Flower Extract, Simmondsia Chinensis Seed Oil, Curcubita Pepo Seed Oil, Tocopherol, Helianthus Annuus Seed Oil, Phenoxyethanol, Ethylhexyl Stearate, Dimethicone, Triethanolamine, Parfum, Imidazolidinyl Urea, Carbomer, Ethylhexylglycerin, Disodium EDTA, Citric Acid, Ascorbic Acid, Potassium Sorbate, Sodium Benzoate, Sodium Sulfite, Hexyl Cinnamal\*\*.

\* Ingredient certified with the IASC seal and from organic farming.

\*\* Naturally present in perfume

### DID YOU KNOW?

**It contains no alcohol, so it doesn't irritate the skin, making it ideal for sensitive skin.**

### INDICATED FOR:

**It can be used for all skin types.**
