

MUNACTIVE - 10

With vegetables, minerals, vitamins, Aloe vera and Q10

MUNACTIVE-10 is a liquid food supplement with 10 active ingredients that have important beneficial properties as it works as alkalinising of the blood, anti-inflammatory and powerful antioxidant that helps to avoid the formation of Free Radicals and of degenerative diseases that they can cause.

USES AND PROPERTIES

It provides improvements at the **Cardiovascular System** level as it decreases the levels of cholesterol that favour atherosclerosis, it prevents and helps to treat cardiac problems such as heart attacks (as it is nutrient and oxygenator of the cardiac fibre), it works as regulator of the blood pressure, it improves circulation at brain level (which reduces dizziness, vertigo, and the loss of memory) it also helps at peripheral level.

At the **Nervous System** level, it helps to favour the transmission of the nerve impulse and it is neuroprotective, which makes it useful in Parkinson, Alzheimer and it also helps with anxiety, depression, and insomnia problems by regulating the activity of important Neurotransmitters.

At the **Immune System** level, it improves the treatment of auto-immune diseases such as arthritis by increasing the defences against bacteria, fungus, and viruses by reducing the frequency of respiratory diseases apart from being a natural antihistamine that improves the asthma and allergy disorders.

And finally, the area that can help us most is as **Antitumour**, as its polyphenolic components avoid the formation of Free Radicals responsible of the creation and development of tumours favouring the selective death of cancer cells without affecting healthy ones.

MODE OF USE

It is recommended to take 20 ml. 1 or 2 times a day, preferably while fasting or with empty stomach, before lunch and dinner, diluted in water to the consumer's choice.

NUTRITIONAL INFORMATION	Per 40ml	Per 20ml
GRAPE concentrate wort	24,36 g	12,18 g
