

TONIC CUTIS

With Aloe Vera

The Exialoe **Tonic Cutis** is a facial purifying astringent tonic with Aloe Vera and essential Tea tree oil used for the deep cleaning of the skin: your ideal alliance if you have oily, acne prone skin, marks, imperfections, dilated pores or for inflammatory reactions of the skin.

This lotion purifies your skin deeply, it clears pores and reduces them. It leaves your skin cleaner, more mattified and fresher so you can enjoy of a radiant complexion!

USES AND QUALITIES

- Antiseptic, healing, purifying and sebum regulator.
- It calms the skin reducing redness and preventing from the signs caused by the rosacea.
- As it has Aloe Vera it helps to replace dead cells by new ones, empowering this way a **healthier** and **more revitalised** skin.
- It absorbs facial shines and reduces the production of sebum. You will then achieve a skin softer to the touch and silkier.
- It is non-comedogenic, so it **does not obstruct pores** and keeps the skin free from toxins.
- Its formula is free from artificial ingredients (parabens, mineral oils, paraffins, phthalates, etc).

ACTIVE INGREDIENTS

Aloe Vera (20%): It stimulates cell growth and healing. It **hydrates, calms,** and **softens** the skin. It reduces the production of acne and regenerates its marks.

Tomato: It is rich in Vitamin C, A, E, B6. It has an **antioxidant effect** that protects from free radicals. It is effective to combat blackheads and it is a perfect "sealing" of dilated pores and a powerful solution for spots. Thanks to the acidity, it clarifies and illuminates dull skin in a natural way.

Calendula extracts: It is anti-inflammatory, antibacterial, emollient, epithelium regenerating and healing. It is especially indicated in cases of dermatitis, eczemas, and irritations.

Sage: It is **healing and antiseptic**. It has antioxidant qualities as it combats the effects of free radicals, apart from evening the tone and softening the skin.

Willow: It has analgesic, **astringent**, antiseptic, antipyretic, and **anti-inflammatory qualities**. Besides, it eliminates dead cells, facilitating the epidermal renewal.

Tea tree essential oil: It is anti-inflammatory and **antimicrobial**. Therefore, it eliminates and reduces the growth of bacteria and microorganisms in our skin.

Lactic acid: It exfoliates dead cells clearing pores and promoting hydration and wetting.

MODE OF USE:

After having cleaned the face with the cleansing milk or Aloe Fresh Gel, pour the wished quantity of Tonic cutis on a cotton disk and apply it with small touches on the face and neck to eliminate remnants of dirt and pollution, close the pores and to balance the pH. Finish with your eye contour and your usual treatment cream.

Bottle of 110 ml (ref.1970)
