ACTIVE INGREDIENTS

Aloe Vera (20%): Stimulates cell growth and healing. Hydrates, soothes and softens the skin. Reduces the production of marks and stains (regenerating existing ones).

Chamomile: Antiseptic, anti-inflammatory, antibacterial and analgesic properties make it a great resource to combat the presence of acne and remove impurities from the face in depth. Promotes cell regeneration by reducing bags, spots, dark circles and red veins.

Hyaluronic Acid: Locks in moisture and maintains facial hydration for longer. It fills in the spaces between cells, giving it anti-wrinkle properties. Fights the signs of aging.

Calendula: It provides our dermis with anti-inflammatory, antiseptic, soothing, emollient, stimulating and tonic properties, the result is a skin free of impurities. In addition, calendula is an excellent natural disinfectant, helps to reduce inflammation of the dermis and reduces redness caused by dermal irritations.

Glycolic acid: Allows all dead skin cells to be removed gently and without damaging it. Softens and accelerates skin regeneration.

HOW TO USE:

After cleansing your complexion with Aloe Fresh Cleansing Milk or Cleansing Gel, dose your Chamomile Toner onto a disc or your hands and dab it all over your face and neck to tone your skin, tighten pores and balance PH. Finish with your usual contour and treatment cream.
